## I. Annual Business Overview Report for Year 2022

In 2022, the COVID-19 pandemic continues to have an impact, and the outbreak of the Russo-Ukrainian war adds to the uncertainty in the market. Although lockdown measures due to the pandemic have been lifted by the second half of the year in European and American countries, the recovery in consumer demand has not been as expected. Instead, an oversupply issue has emerged. During the pandemic, the entire supply chain has been stretched, and in order to avoid shortages, everyone has doubled their inventories. It was only after the lifting of restrictions that it was discovered that the market lacked the immediate capacity to digest this excess inventory. Therefore, the demand starting in the second half of 2022 is not as expected.

In terms of PMOLED demand, application-wise, it is mainly used in home appliances and network communication, with industrial applications as a supplement. The proportion of consumer products has become a minority, so transformation is necessary. In addition to the battery industry layout that has contributed considerable revenue since 2023, the display business also considers diversification. Starting in the fourth quarter of 2023, sales of TFT LCD and AMOLED have increased with the goal of attracting existing PMOLED customers. The aim is to make it one of the main businesses by 2024 and continue to compete for other product lines.

Total consolidated operating revenue for the year: NT\$ 2,713,550 thousand increased by 21.91% compared to 2021.

Net income for the period: NT\$ 49,325 thousand decreased by 74.53% compared to 2021.

The application of PMOLED is increasingly limited, and its performance is gradually shrinking. The Japanese company that has been cooperating with the Company is also considering making changes. In August 2022, the Japanese company decided to terminate their own production line and commission us to produce their products. The plan is to obtain customer approval for general products to be fully outsourced to our company by 2023. As for special-purpose items such as automotive use, the target is set for 2024.

Chairman: YEH, CHWEI-JING

Chief Executive Officer: WANG, TING-CHANG

Accounting officer: HUANG, YU-SHIU

## II. 2022 Audit Committee's Review Report

## Audit Committee's Review Report

The financial statements (including consolidated and individual financial statements) for the year 2022, prepared by the Board of Directors of the Company, have been audited by the certified accountants, Chen, Kuo-Shuai and Chang, Chih-Ming from EY Taiwan. They have expressed their opinion that the financial statements fairly present the financial position, operating results and cash flows of the Company. The Audit Committee has reviewed the financial statements and found no discrepancies. Therefore, in accordance with Article 14-4 of the Securities and Exchange Act and Article 219 of the Company Act, we hereby submit the above report for your reference.

Sincerely

2023 Shareholder's meeting of the Company

RitDisplay Corporation

Audit Committee Convener: Tung, Yun-Ling

Date: Mar.13, 2023

## III.2022 Directors' Remuneration and Employee Compensation Distribution Report

Explanation: The director remuneration of the Company in 2022 is equivalent to NT\$ 1,355,592, and the employee remuneration is equivalent to NT\$ 3,163,047 distributed in cash.

## IV.2022 Cash Dividend Distribution Report

Explanation:

- 1. The Board of Directors decided to distribute a total of NT\$110,477,513 of 2022 earnings in cash dividends or NT\$1.5 per share. The cash dividend is distributed to the unit of NT dollar (rounding off). The aggregate of fractional numbers will be recognized as the Company's other incomes.
- 2. The Chairman is authorized to set up the ex-dividend date, dividend issue date, and other relevant matters. If the total number of the outstanding shares is affected and the distribution yield has changed due to the change in the capital stock of the Company, the shareholders' meeting shall authorize the chairman to handle the matter with full powers based on the Company Act and relevant regulations.

## V. Status Report of Domestic Unsecured Corporate Bond Issuance

## Explanation:

Items	1 <sup>st</sup> unsecured	2 <sup>nd</sup> unsecured
	convertible bond	convertible bond
Total Issurance	NTD 350,000,000	NTD 600,000,000

English Translation of Financial Statements and a Report Originally Issued in Chinese

### INDEPENDENT AUDITORS' REPORT

To: the Board of Directors and Shareholders of RiTdisplay Corporation

## **Opinion**

We have audited the accompanying consolidated balance sheets of RiTdisplay Corporation (the "Company") and its subsidiaries as of December 31, 2022 and 2021, and the related consolidated statements of comprehensive income, changes in equity and cash flows for the years ended December 31, 2022 and 2021, and notes to the consolidated financial statements, including the summary of significant accounting policies (together referred as "the consolidated financial statements").

In our opinion, based on our audits and the reports of other auditor (please refer to the Other Matter—Making Reference to the Audit of a Component Auditor section of our report), the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of the Company and its subsidiaries as of December 31, 2022 and 2021, and its consolidated financial performance and cash flows for the years ended December 31, 2022 and 2021, in conformity with the requirements of the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Financial Reporting Standards, International Accounting Standards, Interpretations developed by the International Financial Reporting Interpretations Committee or the former Standing Interpretations Committee as endorsed by Financial Supervisory Commission of the Republic of China.

## **Basis for Opinion**

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and the Standards on Auditing of the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Norm of Professional Ethics for Certified Public Accountant of the Republic of China (the "Norm"), and we have fulfilled our other ethical responsibilities in accordance with the Norm. Based on our audits and the reports of other auditor, we believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of the most significance in our audit of consolidated financial statements for the year ended December 31, 2022. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

## Revenue Recognition

We determine that revenue recognition is one of the key audit matters. The Group's revenue amounting to NT\$2,713,550 thousand for the year ended December 31, 2022 is a significant account to the Group's financial statements. The major revenues were from manufacturing and sales of OLED. The Group has conducted these sale activities in multi-marketplace, including Taiwan, China, America and North Africa, etc. Furthermore, the timing of fulfilling performance obligation needs to be determined based on varieties of sale terms and conditions enacted in the main sale contracts or sale orders. We therefore conclude that there are significant risks with respect to the topic of revenue recognition.

Our audit procedures therefore include, but not limit to, evaluating the appropriateness of accounting policy for revenue recognition, assessing and testing the effectiveness of relevant internal controls related to revenue recognition, sampling-test of details, including obtaining major sale orders or agreements to inspect the terms and conditions, checking the consistency of the fulfillment timing, performing analytical review procedures on sale revenues, and executing sale cut-off tests for a period time before and after the balance sheet date, reviewing for subsequent sales returns and allowance etc. We have also evaluated the appropriateness of the related disclosure in Note 4 and Note 6 to the consolidated financial statements.

## Market valuation on Inventory

We determined the market valuation on inventory is also one of the key audit matters. The Group's net inventory amounting to NT\$701,035 thousand as of December 31, 2022, which is significant to the Group's financial statements. The application market of the Group's main products, OLED, has been developing and changing rapidly by display technology and demand of communication market. The management therefore has to closely monitor the status of new products development and market demand for evaluating any significant impairment, including loss from market decline and slow movement, incurred toward inventory. Also, there was significant management involved in determining the sufficiency of inventory loss provision.

Our audit procedures therefore include, but not limit to, evaluating the appropriateness of inventory provision including how to identify the phased-out or slow-moving items, testing the correctness of inventory aging report, analyzing the reasons for slow-moving inventory, performing obervation on the Group's inventory physical taking, and looking into the status of inventory utilization. We have also evaluated the appropriateness of the related disclosure in Note 5 and Note 6 to the consolidated financial statements.

## Other Matter - Making Reference to the Audit of a Component Auditor

We did not audit the financial statements of Welltech Energy Inc., an indirectly invested associate accounted for under the equity method by the Group. The financial statements of Welltech Energy Inc. as of December 31, 2021, and for the year then ended were audited by other auditor, whose report thereon has been furnished to us. Our audit, insofar as it related to the investment in the associate accounted for under the equity method amounting to NT\$144,093 thousand as of December 31, 2021 representing 3.63% of the Group's total assets, the related shares of income before tax from the associate under the equity method for the year then ended amounting to NT\$6,410 thousand representing 2.56% of the Group's income before tax, and the related shares of other comprehensive income from the associate under the equity method for the year then ended amounting to NT\$(85) thousand representing (5.43)% of the other comprehensive income, are based solely on the audit report of other auditor.

## Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the requirements of the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Financial Reporting Standards, International Accounting Standards, Interpretations developed by the International Financial Reporting Interpretations Committee or the former Standing Interpretations Committee as endorsed by Financial Supervisory Commission of the Republic of China and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the ability to continue as a going concern of the Group, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including audit committee, are responsible for overseeing the financial reporting process of the Group.

## Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- 1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control of the Company and its subsidiaries.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability to continue as a going concern of the Company and its subsidiaries. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company and its subsidiaries to cease to continue as a going concern.
- 5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the accompanying notes, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Company and its subsidiaries to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of 2022 consolidated financial statements and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### Others

We have also audited the parent-company-only financial statements of RiTdisplay Corporation as of and for the years ended December 31, 2022 and 2021, on which we have issued an unmodified opinion with other matter paragraph.

Chen, Kuo-Shuai

Chang, Chih-Ming

Ernst & Young, Taiwan, R.O,C March 13, 2023

## Notice to Readers

The accompanying consolidated financial statements are intended only to present the consolidated financial position, results of operations and cash flows in accordance with accounting principles and practices generally accepted in the Republic of China on Taiwan and not those of any other jurisdictions. The standards, procedures and practice to audit such consolidated financial statements are those generally accepted and applied in the Republic of China on Taiwan.

Accordingly, the accompanying consolidated financial statements and report of independent auditors are not intended for use by those who are not informed about the accounting principles or Standards on Auditing of the Republic of China, and their applications in practice. As the financial statements are the responsibility of the management, Ernst & Young cannot accept any liability for the use of, or reliance on, the English translation or for any errors or misunderstandings that may derive from the translation.

## English Translation of Financial Statements and a Report Originally Issued in Chinese

## INDEPENDENT AUDITORS' REPORT

To: the Board of Directors and Shareholders of RiTdisplay Corporation

## Opinion

We have audited the accompanying parent-company-only balance sheets of RiTdisplay Corporation (the "Company") as of December 31, 2022 and 2021, and the related parent-company-only statements of comprehensive income, changes in equity and cash flows for the years then ended, and notes to the parent-company-only financial statements, including the summary of significant accounting policies (together referred as "the parent-company-only financial statements").

In our opinion, based on our audits and the reports of other auditor (please refer to the Other Matter—Making Reference to the Audit of a Component Auditor section of our report), the parent-company-only financial statements referred to above present fairly, in all material respects, the parent-company-only financial position of the Company as of December 31, 2022 and 2021, and their parent-company-only financial performance and cash flows for the years then ended, in conformity with the requirements of the Regulations Governing the Preparation of Financial Reports by Securities Issuers.

## **Basis for Opinion**

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and the Standards on Auditing of the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Parent-Company-Only Financial Statements section of our report. We are independent of the Company in accordance with the Norm of Professional Ethics for Certified Public Accountant of the Republic of China (the "Norm"), and we have fulfilled our other ethical responsibilities in accordance with the Norm. Based on our audits and the reports of other auditor, we believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of parent-company-only financial statements for the year ended December 31, 2022. These matters were addressed in the context of our audit of the parent-company-only financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

## Revenue Recognition

We determine that revenue recognition is one of the key audit matters. The Company's revenue amounting to NT\$977,046 thousand for the year ended December 31, 2022 is a significant account to the Company's financial statements. The major revenues were from manufacturing and sales of OLED. The Company has conducted these sale activities in multi-marketplace, including Taiwan, China, America and North Africa, etc. Furthermore, the timing of fulfilling performance obligation needs to be determined based on varieties of sale terms and conditions enacted in the main sale contracts or sale orders. We therefore conclude that there are significant risks with respect to the topic of revenue recognition.

Our audit procedures therefore include, but not limit to, evaluating the appropriateness of accounting policy for revenue recognition, assessing and testing the effectiveness of relevant internal controls related to revenue recognition, sampling-test of details, including obtaining major sale orders or agreements to inspect the terms and conditions, checking the consistency of the fulfillment timing, performing analytical review procedures on sale revenues, and executing sale cut-off tests for a period time before and after the balance sheet date, reviewing for subsequent sales returns and allowance etc. We have also evaluated the appropriateness of the related disclosure in Note 4 and Note 6 to the financial statements.

## Market valuation on Inventory

We determined the market valuation on inventory is also one of the key audit matters. The Company's net inventory amounting to NT\$123,359 thousand as of December 31, 2022, which is significant to the Company's financial statements. The application market of the Company's main products, OLED, has been developing and changing rapidly by display technology and demand of communication market. The management therefore has to closely monitor the status of new products development and market demand for evaluating any significant impairment, including loss from market decline and slow-movement, incurred toward inventory. Also there was significant management judgement involved in determining the sufficiency of inventory loss provision.

Our audit procedures therefore include, but not limit to, evaluating the appropriateness of inventory provision including how to identify the phased-out or slow-moving items, testing the correctness of inventory aging report, analyzing the reasons for slow-moving inventory, performing obervation on the Company's inventory physical taking, and looking into the status of inventory utilization. We have also evaluated the appropriateness of the related disclosure in Note 5 and Note 6 to the financial statements.

## Other Matter - Making Reference to the Audit of a Component Auditor

We did not audit the financial statements of Welltech Energy Inc., an indirectly invested associate accounted for under the equity method by the Company. The financial statements of Welltech Energy Inc. as of December 31, 2021 and for the year then ended were audited by other auditor, whose report thereon has been furnished to us. Our audit, insofar as it related to the investment in the associate accounted for under the equity method amounting to NT\$144,093 thousand as of December 31, 2021 representing 4.08% of the Company's total assets, the related shares of income before tax from the associate under the equity method for the year then ended amounting to NT\$6,410 thousand representing 2.62% of the Company's income before tax, and the related shares of other comprehensive income from the associate under the equity method for the year then ended amounting to NT\$(85) thousand representing (5.43)% of the other comprehensive income, are based solely on the audit report of other auditor.

## Responsibilities of Management and Those Charged with Governance for the Parent-Company-Only Financial Statements

Management is responsible for the preparation and fair presentation of the parent-company-only financial statements in accordance with the requirements of the Regulations Governing the Preparation of Financial Reports by Securities Issuers and for such internal control as management determines is necessary to enable the preparation of parent-company-only financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the parent-company-only financial statements, management is responsible for assessing the ability to continue as a going concern of the Company, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including audit committee, are responsible for overseeing the financial reporting process of the Company.

## Auditor's Responsibilities for the Audit of the Parent-Company-Only Financial Statements

Our objectives are to obtain reasonable assurance about whether the parent-company-only financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these parent-company-only financial statements.

As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- 1. Identify and assess the risks of material misstatement of the parent-company-only financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control of the Company.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability to continue as a going concern of the Company. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the parent-company-only financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- 5. Evaluate the overall presentation, structure and content of the parent-company-only financial statements, including the accompanying notes, and whether the parent-company-only financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Company to express an opinion on the parent-company-only financial statements. We are responsible for the direction, supervision and performance of the company audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of 2022 parent-company-only financial statements and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Chen, Kuo-Shuai

Chang, Chih-Ming

Ernst & Young, Taiwan, R.O.C March 13, 2023

## Notice to Readers

The accompanying parent-company-only financial statements are intended only to present the parent-company-only financial position, results of operations and cash flows in accordance with accounting principles and practices generally accepted in the Republic of China on Taiwan and not those of any other jurisdictions. The standards, procedures and practice to audit such parent-company-only financial statements are those generally accepted and applied in the Republic of China on Taiwan.

Accordingly, the accompanying parent-company-only financial statements and report of independent auditors are not intended for use by those who are not informed about the accounting principles or Standards on Auditing of the Republic of China, and their applications in practice. As the financial statements are the responsibility of the management, Ernst & Young cannot accept any liability for the use of, or reliance on, the English translation or for any errors or misunderstandings that may derive from the translation.

## **Articles of Incorporation of RitDisplay Corporation**

## **Chapter 1** General Provisions

- Article 1 The Company shall be incorporated under the Company Act of the Republic of China, and its name shall be RITDISPLAY CORPORATION.
- Article 2 The Company's business lines include:
  - (1) CC01080 Electronics Components Manufacturing
  - (2) F219010 Wholesale of Electronic Materials
  - (3) CC01030 Electrical and audiovisual electronics manufacturing industry
  - (4) CE01010 General Instrument Manufacturing
  - (5) F401010 International Trade
  - (6) F119010 Wholesale of Computer Software
  - (7) I501010 Product Design
  - (8) IZ99990 Other business services industry
  - (9) D101060 Distributed renewable energy generation equipment industry
  - (10) IG03010 Energy technology services industry
  - (11) CF01011 Medical Device Manufacturing
  - (12) F108031 Wholesale of Medical Devices
  - (13) F208031 Retail Sale of Medical Apparatus
  - (14) ZZ99999 All Business activities that are not prohibited or restricted by law, except those that are subject to special approval
- Article 2-1 The Company may provide guaranteed to related parties or correspondent companies as necessary for the businesses.
- Article 3 The total investment amount of the Corporation may exceed forty percent of the paid-in capital.
- Article 4 The Company shall have its head office in Hsinchiu county, the Republic of China, and may, pursuant to a resolution adopted at the meeting of the Board of Directors, set up branch offices within or outside the territory of the Republic of China when deemed necessary.
- Article 5 Public announcement of the Corporation shall be made in accordance with the Article 28 of Company Act.

## **Chapter 2** Capital Stock

- Article 6 The total capital amount of the Company shall be 10 billion and 1 billion New Taiwan Dollars accounting for four hundred and fifty million shares, at a par value of Ten New Taiwan Dollars (NT\$10) per share. To cooperate with the request of Taiwan Securities Central Depositary Company, the stock with higher par value could be issues alternatively. The stock options are offered to the extent of NT\$300,000,000 among preceding total capital, total in 30,000,000 shares, at ten dollars each to be partially issued by the Board of Directors based on the needs.
- Article 6-1 The Company may, on behalf of the shareholders 'meeting represented by more than half of the shareholders of the issued shares, and with the consent of the shareholders 'voting rights of more than two-thirds, transfer them to the employees at an average price lower than the actual purchase of the shares, or issue employee stock options at the price of the shares below the closing date of the issuing day.
- Article 7 The share certificate of the Company shall all be name-bearing share certificates and shall be affixed with the seals or by signature of the directors of the Company, and issued after being duly authenticated by the bank which is competent to certify shares pursuant to the law. The Company is exempted from printing share certificates for the shares issued but shall duly register such shares with the centralized securities depository enterprise and follow that enterprise's regulations.

- Article 7-1 Shareholders shall report their real names and addresses to the Company, and fill in the signature card and submit it to the Company for filing reference. The above steps shall be done if the seal needs to be changed. When receiving dividends, bonuses, or contacting with the Company in writing and enforcing all the other rights, the seal must be used as proof. If the seal is lost, it must be handled in accordance with "Regulations Governing the Administration of Shareholder Services of Public Companies" enacted by the competent authority.
- Article 8 The entries in its shareholders' roster shall not be altered within 60 days prior to the convening date of a regular shareholders' meeting, or within 30 days prior to the convening date of a special shareholders' meeting, or within 5 days prior to the reference date set by the issuing company for distribution of dividends, bonus or other benefits.

## **Chapter 3** Shareholders' Meeting

- Article 9 The Board shall convene a regular shareholders' meeting within six months after the end of a fiscal year. A special shareholders' meeting may be convened in accordance with law if necessary.
- Article 10 Notices shall be given to each shareholder within 30 days prior to the convening date of a regular shareholders' meeting, or within 15 days prior to the convening date of a special shareholders' meeting, specifying the date, place, and reason(s) for convening the meeting.

  The Company's shareholders' meeting may be held by video conference or other

methods announced by the competent authority. The Company shall be subject to prescriptions provided for by the competent authority in charge of securities affairs, including the prerequisites, procedures, and other compliance matters.

- Article 11 Resolutions at a shareholders' meeting shall, unless otherwise provided for in the Company Act, be adopted by a majority vote of the shareholders present, who represent more than one-half of the total number of voting shares.
- Article 12 If a shareholder cannot attend a shareholders' meeting in person, he or she may issue a proxy form issued by the Company in accordance with law, stating the scope of authorization, to authorize an agent to attend the meeting on his or her behalf.
- Article 13 Except for the event of no voting right provided under article 179 of the Company Act, , each share of stock shall be entitled one vote.
- Article 14 The Board of Directors shall determine the operational guidelines and other important matters of the Company. Except the first Board meeting of every term of the newly elected Board of Directors, which shall be convened in accordance with article 203 of the Company Act, all remaining meetings of the Board of Directors shall be convened by the Chairman of the Board of Directors, unless in his absence or he cannot exercise duties for cause, the proxy shall be managed in accordance with Article 208 of the Company Act.

## **Chapter 4 Director and Audit Committee**

- Article 15 The Company adopts a candidates nomination system for election of 5 to 9 directors (including more than two independent directors, not less than one-fifth of the total number of directors.) The shareholders shall elect the directors from among the nominees listed in the roster of candidates. The terms of office for directors shall be three years, and may be eligible for re-election.
- Article 16 Delete.
- Article 17 The Board comprises directors. The chairperson of the Board shall be elected from among the directors with a consent of a majority of the directors present at a meeting attended by more than two thirds of the directors. A Vice Chairman shall be elected, if necessary. The Chairman is to execute all business matters resolved in accordance with law and regulations, Articles of Association, shareholders' meeting, and Board meeting.

- Article 18 Unless otherwise provided for by the Company Act, a resolution of the Board of Directors shall be adopted by the consent of a majority of the votes represented by those the majority in attendance at the Board of Directors meeting. In case a director appoints another director to attend a meeting of the Board of Directors in his/her behalf, he/she shall, in each time, issue a written proxy and state therein the scope of authority with reference to the subjects to be discussed at the meeting. A director may accept the appointment to act as the aforesaid proxy of one other director only.
- Article 19 The Board of Directors shall determine the operational guidelines and other important matters of the Company. Except the first Board meeting of every term of the newly elected Board of Directors, which shall be convened in accordance with article 203 of the Company Act, all remaining meetings of the Board of Directors shall be convened by the Chairman of the Board of Directors, unless in his absence or he cannot exercise duties for cause, the proxy shall be managed in accordance with Article 208 of the Company Act.
- Article 20 Matters relating to the resolutions of a Board of Directors meeting shall be recorded in the meeting minutes. The meeting minutes shall be signed or sealed by the chair of the meeting and a copy distributed to each director within 20 days after the conclusion of the meeting. The provisions of Article 183 of the Company Act apply to resolutions of Board of Directors meetings.
- Article 21 The Company establishes an audit committee in accordance with the Securities and Exchange Act, composed of the entire number of independent directors. The Company's Board of Directors may define the audit committee's duties and powers, and relevant issues according to laws and regulations.
- Article 22 When the chairman and the directors of the Company assumed their office, regardless of the Company's profit and loss, the Company may pay their remuneration. The remuneration of the chairman and the directors shall be determined by the authorized Board of Directors based on their devotion to the Company's operations and the value of their contribution, referring to the compensation standard of the domestic or foreign industry peers.
- Article 22-1 The Company may purchase liability insurance for all directors and key managerial personnel to reduce the operating risk of the Company.

## Chapter 5 Managerial Officials and staffs/employees

- Article 23 Appointment, discharge and the remuneration of the Company's managerial officers shall be in compliance with Article 29 of the Company Act. The Board of Directors are authorized to make a decision on the managerial officers' scope of duties and power.
- Article 23-1The employment, discharges and compensation of managers of the Corporation shall be managed in accordance with Article 29 of the Company Act.

## **Chapter 6** Final Accounts

- Article 24 At the close of the fiscal year, the Board of Directors of the Company shall prepare reports according to Article 228 of the Company Act., and shall deliver to a regular shareholders' meeting for ratification.
- Article 25 If the Company has profits in the current year, it shall appropriate no less than 3~10% as employees' compensation, and may be distributed in the form of shares or in cash pursuant to the resolutions to be adopted by the Board of Directors. Qualification requirements of employees include the employees of subsidiaries of the Company meeting certain specific requirements. If the Company has profits mentioned above, it shall appropriate no more than 5% as directors' compensation, which shall be executed pursuant to the resolutions to be adopted by the Board of Directors. The distribution of employees' compensation and directors' compensation shall be submitted to the shareholders' meeting.
- Article 26 If the total amount of after-tax net income for the period and other profit items adjusted to the current year's retained earnings other than after-tax net income for the

period is calculated in Annual General Financial Statement of the Company, the Company shall set aside ten percent of such profits as a legal reserve. However, when the legal reserve amounts to the total capital reserve of the Company, this shall not apply. The Company shall allocate or revolve special reserve in accordance with laws or pursuant to the requirements of the competent authority, and for the net deduction of other equity items occurred in the current year, it shall treat current net income and non-net income items as unappropriated earnings and make provisions of the same amount of special reserve. If the Company is unable to make adequate provision from unappropriated earnings carried from the current year, it shall make provisions from unappropriated earnings carried from previous year.

The Company is bound by laws to make provision for special reserve from unappropriated earnings carried from previous years for any net contra-equity balances accumulated under other contra-equity items in previous years before distributing earnings. If the Company is unable to make adequate provision from unappropriated earnings carried from previous years, it shall treat current net income and non-net income items as unappropriated earnings and make provisions accordingly. When the board of the directors decides to distribute retained earnings plus the cumulative total unallocated surplus are available for distribution, if it is to be done by issuing new shares, it has to be approved by the stockholders' meeting. If the Company is to distribute the whole or part of its dividend to shareholders or legal reserve and capital reserve, the following is to be observed. If cash dividend is issued, the board of the directors may do so with two thirds of members present with a majority vote and report to the stockholders' meeting. Since the Company is in an industry in a growth phase, the dividend policy shall take into consideration factors such as the Company's future needs for capital, long-term financial plans and the possibility of profit growth. Cash dividend, depending on the preceding paragraph, amounts to 10%~100% of the total dividends distributed while stock dividend amounts to  $0\%\sim90\%$ .

## **Chapter 7** Additional provisions

- Article 27 In regard to all matters not provided for in these Articles of Incorporation, the Company Act shall govern.

## Rules of Procedure for Shareholders' meetings

- Article 1 The rules of procedures for this Company's shareholders' meetings, except as otherwise provided by the Company Act and the Articles of Incorporation, shall be as provided in these Rules.
- Article 2 The shareholders referred to in the rules of procedures mean the shareholder attending the meeting in person and the proxies of the shareholders unable to attend.
- Article 3 Shareholders attending the meeting shall wear the attendance badges and submit the attendance card for the purpose of signing in. The number of shares represented by shareholders attending the meeting shall be calculated in accordance with the attendance cards submitted by the shareholders.
- Article 4 When a juristic person is appointed to attend as proxy, it may designate only one person to represent it in the meeting. When a juristic person shareholder appoints two or more representatives to attend a shareholders' meeting, only one of the representatives so appointed may speak on the same proposal.
- Article 5 If a shareholders' meeting is convened by the Board of Directors, the meeting shall be chaired by the chairperson of the board. When the chairperson of the board is on leave or for any reason unable to exercise the powers of the chairperson, the vice chairperson shall act in place of the chairperson; if there is no vice chairperson or the vice chairperson also is on leave or for any reason unable to exercise the powers of the vice chairperson, the Company shall appoint one to act as chair pursuant to the Company Act. If a shareholders' meeting is convened by a party with power to convene but other than the Board of Directors, the convening party shall chair the meeting. When there are two or more such convening parties, they shall mutually select a chair from among themselves.
- Article 6 The chair shall call the meeting to order at the appointed meeting time and disclose information concerning the number of nonvoting shares and number of shares represented by shareholders attending the meeting. However, when the attending shareholders do not represent a majority of the total number of issued shares, the chair may announce a postponement, provided that no more than two such postponements, for a combined total of no more than one hour, may be made. If the quorum is not met after two postponements as referred to in the preceding paragraph, but the attending shareholders represent one third or more of the total number of issued shares, a tentative resolution may be adopted pursuant to Article 175, paragraph 1 of the Company Act. When, prior to conclusion of the meeting, the attending shareholders represent a majority of the total number of issued shares, the chair may resubmit the tentative resolution for a vote by the shareholders' meeting pursuant to Article 174 of the Company Act.
- Article 7 The shareholders' meeting agenda shall be set by the Board of Directors. The meeting shall proceed in the order set by the agenda, which may not be changed without a resolution of the shareholders' meeting.

The provisions of the preceding paragraph apply mutatis mutandis to a shareholders' meeting convened by a party with the power to convene that is not the Board of Directors.

The chair may not declare the meeting adjourned prior to completion of deliberation on the meeting agenda of the preceding two paragraphs (including extraordinary motions), except by a resolution of the shareholders' meeting.

The shareholders cannot designate any other person as chairperson and continue the meeting in the same or other place after the meeting is adjourned.

- Article 8 Before speaking, an attending shareholder must specify on a speaker's slip the subject of the speech, his/her shareholder account number (or attendance card number), and account name. The order in which shareholders speak will be set by the chair. When an attending shareholder is speaking, other shareholders may not speak or interrupt unless they have sought and obtained the consent of the chair and the shareholder that has the floor; the chair shall stop any violation.
- Article 9 Except with the consent of the chair, a shareholder may not speak more than twice on the same proposal, and a single speech may not exceed 5 minutes. If the shareholder's speech violates the rules or exceeds the scope of the agenda item, the chair may terminate the speech.
- Article 10 When discussing for a motion, the chairman may announce discontinuance of the discussion when appropriate and submit the motion for resolution.
- Article 11 After an attending shareholder has spoken, the chair may respond in person or direct relevant personnel to respond.
- Article 12 The motion voted in the shareholders' meeting is deemed as passed with the consent of a majority of the attending shareholders and the agents on behalf. The motion voted in the shareholders' meeting is deemed as passed with the attending shareholders consulted by the Chairman and no objection raised, which is with the same effectiveness as a vote.
- Article 13 When there is an amendment or an alternative to a proposal, the chair shall present the amended or alternative proposal together with the original proposal and decide the order in which they will be put to a vote. When any one among them is passed, the other proposals will then be deemed rejected, and no further voting shall be required.
- Article 14 Unless otherwise provided for in laws, a resolution of a shareholders' meeting shall be adopted at the meeting attended by shareholders holding a majority of the total issued shares.
- Article 15 Vote monitoring and counting personnel for the voting on a proposal shall be appointed by the chair, provided that all monitoring personnel shall be shareholders of this Company. The results of the voting shall be announced on-site at the meeting, and a record made of the vote.
- Article 16 In case of incident of force majeure, such as air strike, earthquake, fire and etc., the chairperson may immediately announce to stop or temporarily suspend the meeting in order for all persons to evacuate from the dangerous places. The chairperson may announce a new schedule for the meeting one hour later when the crisis is over.
- Article 17 The chair may direct the proctors or security personnel to help maintain order at the meeting place. When proctors or security personnel help maintain order at the meeting place, they shall wear an identification card or armband bearing the word "Proctor."
- Article 18 When a meeting is in progress, the chair may announce a break based on time considerations.
- Article 19 This Company shall make an uninterrupted audio and video recording of the proceedings of the shareholders' meeting. The recorded materials shall be retained for at least one year.
- Article 20 Any matter not provided in the rules of procedures shall be handled in accordance with applicable laws and regulations.
- Article 21 These Rules shall take effect after having been submitted to and approved by a shareholders' meeting. Subsequent amendments thereto shall be effected in the same manner.
